

Critical Information Summary

This summary does not include any promotional offers, discounts, or price alterations that may occur on occasion.

nbn Home Fixed Wireless Broadband

Monthly Data Quota	nbn Speed Tier ²	Typical Evening Download / Upload Speed ¹	nbn Speed Tier Max Upload Speed ¹	Minimum Monthly Charge	Cost Per GB	Total Minimum Cost (1 Month)
Unlimited	NBN Fixed Wireless Home Fast (100/20Mbps)	50/8 Mbps	8-20 Mbps	\$89.00	-	\$89.00
Unlimited	NBN Fixed Wireless Home Fast (250/20Mbps)	90/8 Mbps	8-20 Mbps	\$95.00	-	\$95.00
Unlimited	Fixed Wireless Superfast (400/40Mbps)	120/8 Mbps	8-40 Mbps	\$105.00	-	\$105.00

¹ Typical Evening Speeds are based on speed test results between 7pm and 11pm and are subject to change. Actual download and upload speeds may be lower due to many factors including your network configuration, the location and type of content, the number of users simultaneously accessing the network, and the performance of third-party interconnection infrastructure that Superloop does not monitor or maintain. WiFi connected devices may have slower speeds than Ethernet connected devices. Things that can affect your nbn® Fixed Wireless service speed: All speeds are best effort and are not guaranteed. Factors such as distance, weather, interference or technical limitations may prevent the fixed wireless signal from achieving maximum speeds.

² Please visit the ACCC website for further information on plan names (Standard, Standard Plus, and Premium) and what they mean at: accc.gov.au/consumers/internet-landline-services/broadband-speeds

To see the full range of supported Superloop hardware, please see the pricing schedule at <https://superloop.com/terms>

Billing

nbn Service(s) are charged for the full month in-advance and are non-refundable (Superloop does not offer pro-rata).

Overdue Accounts

If your account is overdue and payment is not made by the due date, a late fee of \$10 will be applied. If the overdue amount and the late fee are not paid after being notified, Superloop may suspend or restrict your nbn Home Broadband Service(s).

Credit Card Surcharge

Services that are paid by Credit Card (Visa, MasterCard or American Express) incur a 1.0% transaction fee. You can pay by Direct Debit from your bank to avoid these fees.

Cancelling Your Plan

You may cancel your service at any time by giving Superloop thirty (30) days’ written notice, (including if you do not wish to continue to use the service after the end of the minimum term of a Fixed-Term Agreement). If you cancel within 6 months of activating either NBN Fixed Wireless Home fast or NBN Fixed Wireless Superfast a \$200 W-NTD installation fee may be applicable.

Payment

Acceptable payment methods include: Online Credit/Debit Card Payments, Over-the-Phone Credit/Debit Card Payments, and Auto-Debit from a Credit/Debit card (Visa or MasterCard only) or Bank Account Direct Debit.

Superloop does not accept Cheque payments, or Bank Deposits.

Data & Speed Tier Plan Changes

You may request to change your data plan and/or speed tier once per month at any time, at no cost, which will take effect immediately.

You can call Superloop, or request the change online through the Superloop Superhub section portal at <https://superhub.superloop.com/>

Carrier Grade Network Address Translation (CGNAT)

Where CGNAT is available, your IP address will default to using CGNAT, unless you specifically request to opt out of CGNAT, which may be approved by Superloop in its discretion. When opting out of CGNAT, a dynamic public IP address will be assigned to the service, however, you may request a static public IP address (at additional cost).

Static IP

A single Static IP address is available upon request for the additional monthly fee on all residential Superloop nbn plans.

Core Plan Add-Ons	Additional Monthly Fee
Static IP	\$5 (inc. GST)
