Your application

1. To be eligible for this Offer, you must:
 - a. be a new Superloop Totalbiz nbn™ plan customer with an Eligible Plan; and
 - b. have premises with an eligible service qualification. Superloop will bear no liability, and you will have no right to credits, if your Actual Speeds cannot be achieved for any reason including as a result of your connection, equipment or premises.
2. Superloop may accept or reject your application in its absolute discretion.
3. This Offer is valid from the 2nd of June of 2026 until Superloop withdraws the Offer at any time without notice by not advertising it. By applying for the Offer, you agree to be bound by Superloop's Standard Form of Agreement available at <https://superloop.com/terms> (SFOA) and these Terms and Conditions. Superloop may change these Terms and Conditions at any time in accordance with the SFOA.

How the Offer works

4. This Offer: may only be used once per customer and premises; is non-transferable; cannot be used with any other special offer or promotion; and cannot be redeemed for cash.
5. This Offer is applicable only for new customers and not available to existing customers.
6. This Offer provides you with a discount off your monthly plan fee as per the table above, which will be applied by Superloop at the time of signup. The monthly discount will automatically be deducted from your first, second, third, fourth, fifth, and sixth invoices, or until you cancel your service, whichever is earlier (Discount Period).

7. After six (6) months, Superloop will bill you the current monthly list price applicable to the service. This list price is set out in our Critical Information Summary available at: <https://superloop.com/terms>
8. If you downgrade your Superloop NBN Plan during the Discount Period to a lower plan tier, then the discount will be removed from the monthly internet service charge and the price of the monthly internet service charge will revert to the minimum monthly charge set out in our Critical Information Summary (CIS). If you upgrade your Superloop NBN Plan during the Discount Period to a higher plan tier, the remaining months in the Discount Period will be transferred to the new plan, where the Discounted Price for the upgraded plan will apply. This is subject to change and at Superloop's discretion.
9. All other charges such as upgrades, additional data packs, other internet services, installation and other charges for non- standard installation will continue to apply.
10. Returning customers, who have previously been with Superloop and already received a discount promotion, will not be eligible for a new promotion for a period of twelve (12) months.
11. This Offer is not available in all regions and does not apply to business services.
12. All products and offers are subject to availability and Superloop reserves the right to change or withdraw offers, products and services at any time.
13. Superloop makes no representations regarding third party products or services.
14. Images are for information purposes only and the following are trademarks of Superloop: Superloop and the Superloop logo. Other company, product or service names may be trade or service marks of others.
